13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully submits this final abandonment notice.

A recent field inspection by Mr. Hughes found that this location has met the short-term objectives for reclamation put in place by BLM. As such, this location is ready to be considered for final abandonment. Upon approval, COP will release the bond for this well.

Thank you for your time spent reviewing this final abandonment notice.

14. I hereby certify that the foregoing is true and correct.
