	<input type="checkbox"/> New Construction
	<input type="checkbox"/> Non-Routine Fracturing
	<input type="checkbox"/> Water Shut-Off
	<input type="checkbox"/> Conversion to Injection
	<input type="checkbox"/> Dispose Water

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Strata Production Company is requesting an extension on plugging the above referenced well. Frank Morgan of Strata Production Company spoke to Rickey Smith of Mayo Marrs Casing Pulling Inc. on Monday, October 31, 2005. Rickey told Frank that Mayo Marrs has a pulling unit in the Carlsbad area and will see what he could do to plug our wells before December 15th of this year. Frank is going to Kermit, TX the first part of next week to meet with Rickey about plugging the wells Strata needs plugged. I will advise the BLM of the outcome of the meeting and give a time frame of when the plugging procedures will begin.
