Hi Stan,

We have received an APD from the BLM for the VACA 11 FEDERAL COM #401H and it is at the same surface location for the VACA 11 FEDERAL COM #001H API 30-025-41098. VACA 11 FEDERAL COM #001H is permitted for the WC-025 G-03 S213534L;DELAWARE [97980] and the APD will expire 04/05/2016. Either a change of location or a cancellation will need to be submitted before we can approve the #401H
