13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company received permission to recompleate this well February 25, 2015. Number 18 on the COA stated that the work is to be completed within 90 days of the February 26, 2015 date. ConocoPhillips Company is still in the process of attaining partner approval to recompleate this well, this approval could take up to 1 year to acquire. Therefore COPC respectfully request 1 year extension from February 26, 2015 date. Extension to February 26, 2016.

After 12/2/15 the well must be online or plans to P & A must be submitted.

14. I hereby certify that the foregoing is true and correct.
