Hi Paul,

Devon would like to withdraw the permit for the Seawolf 16 SWD 1 (approved APD and approved Extension attached). We intend to submit a SWD permit for the same location but with a different name, depths, drilling plan, etc. The Authorization to Inject for the Seawolf SWD has already expired.

Would you like me to submit a sundry requesting the withdrawal or will this email suffice? Happy to send a sundry in if needed.

Thanks,
