13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

BTA respectfully requests a waiver to the Lesser Prairie Chicken Timing Stipulation COA on the Permit to Drill for this well.

This location is within an Isolated Population Area, but falls exterior to the areas identified on the timing stipulation map and LPC have not been located within 1.5 miles. The request to waive the LPC timing stip COA is accepted. No further action required.
