	☐ Convert to Injection	Convert to Injection ☐ Plug Back ☐		☐ Water I	Water Disposal	
If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection. EOG Resources, Inc. requests an amendment to our approved APD for this well to reflect a change in BHL. Change BHL to 2410' FNL & 984' FWL, 16-25S-33E. All precious COAn All apply. Additional CoA?s not required.
