13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

ConocoPhillips Company respectfully submits this report of final reclamation.

Any excess caliche was removed, location was re-contoured and top soil spread. Reclamation activities were completed 4/13/17.

Location coordinates are: 32.799561; -103.778564

Location will be in monitoring status.

Thank you for reviewing this report.

14. I hereby certify that the foregoing is true and correct.
