Subject: BLACK PEARL 4 STATE #001H & 002H APD's Cancelled

Hi Jennifer,

As per our phone conversation this morning

APD's permitted by Black Mountain Operating LLC, for 30-025-43661 BLACK PEARL 4 STATE #001H and 30-025-43662 BLACK PEARL 4 STATE #002H are hereby cancelled. These wells are on Federal minerals and therefore are cancelled. If Marathon plans to drill these they need to submit an APD to the BLM.
