No allowable will be assigned to this completion until all interest have been consolidated or a non-standard unit has been approved by the division.

Diagram showing a survey plat with a grid. The grid is labeled with sections 10 and 15, and ranges 34E and 35E. The producing area is indicated by a dashed line and the project area by a solid line. Well locations are marked with dots and labeled with coordinates. The diagram includes a detail 'A' showing a well location with a 600' radius.

17 OPERATOR CERTIFICATION
I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief, and that this organization either owns a working interest or unleased mineral interest in the land including the proposed bottom hole location or has a right to drill this well at this location pursuant to a contract with an owner of such a mineral or working interest, or to a voluntary pooling agreement or a compulsory pooling order heretofore entered by the division.
