Re: Exception for Tubingless Completion

Dear Ms. Sharp,

Centennial Resource Production would like to request an exception for tubingless completion on the following well:

- Juliet Federal Com #001H (30-025-43385)

Currently this well is flowing naturally up 5 ½" casing. Should you have any questions or concerns, please reach out to us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Melissa Luke".
