13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

SURETY BOND NO. RLB0015172

Matador requests a 90 day extension to the Intent to Recomplete sundry on the above referenced well that is scheduled to expire on 3/30/18. There have been unexpected delays reconciling elections with partners and the availability of frac crews in conjunction with Matador's horizontal well program.

Matador's ask is to extend the expiration of the approved Intent to Recomplete sundry to 6/28/18.

Thanks in advance and please contact Cassie Hahn at 972-371-5440 or at chahn@matadorresources.com should you have any questions or concerns.
