13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This site meets all requirements for final abandonment.

Please see attached copy of letter from surface owner requesting that no surface disturbance be executed. Any and all Caliche soil removal or surface remediation was conducted via these agreements.

Surface reclamation is complete.

**RE: Reclamation of lands in Todd San Andres Unit, Roosevelt County, New Mexico**

To whom it many concern:

I, Ted Williamson who's residence is P.O. Box 178 NM 262, Milnesand, New Mexico 88125, am the owner of the following tracts of land lying within the boundaries of the Todd San Andres Unit:

**Township 7 South, Range 35 East**  
**Section 25: S2, S2N2**

**Township 7 South, Range 35 East**  
**Section 30: all except NW4**  
**Section 29: all**

Being the owner of said lands it is my wish that during the reclamation process all roads, well location sites and tank battery sites remain as they are. It is also my wish that any overhead power lines and poles be removed along with any remaining above ground pipelines. Any other non natural features may be handled at the discretion of those responsible for the carrying out of this project.

Signed, 

Ted Williamson
