Re: Request for exception to Rule 107J
Tubingless Completion
State 25 #1Y – 30025-44960
Lea County, NM

Dear Sir:

Cimarex Energy Co. requests an exception to NMOCD Rule 107.J, well tubing requirements. Cimarex requests a tubingless completion for our State 25 #1Y well to allow greater flowback after frac stimulation.

Cimarex plans to install producing tubing as soon as flow decreases, which should incur within 6 months.

Thank you for your consideration of this request. Please feel free to contact me if you need additional information.

Sincerely,
