RE: El Zorro B Federal No. 2 Well, API 30-041-208750000
BLM Lease # NMNM-053388

To Whom It May Concern:

This request is to allow the caliche to remain on the roads and at the well location referenced above. The roads and location are currently used for the fire department water storage and also for my wildlife to access to their water source.

I have no problems with the current operator, EnergyQuest II, LLC, leaving the caliche and releasing them of any further requirement or obligation of remediating the well-site and road locations.

Thank you for your consideration of my request.

Sincerely,

A handwritten signature in black ink, appearing to read "John Mohon", written over the word "Sincerely,".
