13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

ConocoPhillips Company respectfully intends this well to be governed by the horizontal well rules currently in effect. The well has been drilled, but not completed. As noted in the amended C-102 which is attached, the 100' setback requirement at the heel and toe of the horizontal section will be applied for first take point and last take point.

Completion operations are expected to begin April 9, 2019. Per NMED guidance, this can serve as OOOOa notification.

Spud Date:

5/17/18

Rig Release Date:
