Gentlemen:

Complying with your telephone request, enclosed please find in quadruplicate Form C-104, Request for Oil Allowable. I was able to secure these revised forms after our telephone conversation.

Also enclosed please find Form C-103 in triplicate covering the pressure test of the 13-3/8" surface casing and Form C-103 in triplicate covering the pressure test of the 9-5/8" intermediate casing as performed on this well.

I am sorry the misunderstanding occurred concerning the Forms C-103 and they will be forwarded to you promptly in the future.

Yours very truly,
