RE: CORRECTION OF POOL DESIGNATION
SPENCE ENERGY COMPANY
KELLAHIN 14 STATE #3
Unit 1, Sec. 14, T9S, R32E

Dear Donna:

It has come to my attention that the above-referenced well is set up in the OCD production records in the wrong pool.

According to the C-104 and also the supplement which established an allowable for this well the correct pool should be FLYING M ABO, SOUTH not FLYING M ABO.

You will find copies for the C-104 and the supplement to support this enclosed with this letter.

Please correct your records.

Also, the operator should report the pool name as FLYING M ABO SOUTH on their monthly operator's report.

If you have any questions, please contact Evelyn Downs in Hobbs office at (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION
