Re: Packer Leakage Tests on
Sinclair Oil & Gas Company's
State 396 Lease, Well No. 3

Dear Sir:

Please be informed that we have re-scheduled the above captioned tests for Saturday, July 7, 1956. The well will be shut in Friday evening, July 6, 1956, and the flowing test will begin Saturday morning.

Yours very truly,

C.G. Confer
District Engineer
