T. 15S, R. 37E, Lea County.

Dear Mr. Lacy:

We have Form C-102, Notice of Intention to Test Casing Shut-off, on the 5 1/2" casing on the above mentioned well.

The report reflects that you set the 5 1/2" casing at 1165' with 1,100 sacks cement. I am sure that there is an error on this report. Will you please file a corrected Form C-102.

Also, I notice that you did not file a report on the surface casing. It will be necessary to do this in the future.

Thank you for your past cooperation and I am sure these minor errors will be corrected.

Very truly yours,
