

DUPLICATE

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SUBSEQUENT CHEMICAL TREATMENT OF WELL	XXX	REPORT ON PULLING OR OTHERWISE ALTERING CASING

1. The first order of business is to establish a clear and concise agenda for the meeting. This will ensure that all participants are aware of the topics to be discussed and the time allocated to each item.

2. It is essential to create a supportive and collaborative environment where all team members feel comfortable sharing their ideas and concerns. This can be achieved by encouraging active participation and open communication.

3. The meeting should be structured to allow for a thorough discussion of each agenda item. This involves listening to all perspectives, asking clarifying questions, and seeking consensus where possible.

4. Finally, it is crucial to summarize the key points discussed during the meeting and assign clear responsibilities and deadlines for any action items. This will ensure that the meeting's objectives are met and that the team remains aligned and motivated.
