Re: Plugging State H #1-H Sec. 36-20-38

Dear Sir:

Mr. M. L. Armstrong, Oil and Gas Inspector for the Commission, has inspected the location for your State H #1 well, and finds that the location is in good condition and it will be in order for us to approve Form C-103, Report on Results of Plugging.

We shall appreciate it if you will file this form, so that we may clear the files on this location.

Yours very truly,

OIL CONSERVATION COMMISSION
