

boundary of the proration unit. The location of this well is 1980 feet FWL and 660 feet FNL of Section 3, T-22-S, R-36-E, NMPM, Lea County, New Mexico.

In order to prevent waste, Chevron respectfully requests your approval of this administrative application for an unorthodox gas well location and simultaneous dedication under the provisions of Rule 104 (F). Attached is a map showing that Chevron offsets itself in this case. In view of this fact, we also request that the 20 day notice period be waived and approval of this application be expedited.

If you have any questions or require any further information concerning this application, please contact me at (915) 687-7246.

Yours very truly,

Alan W. Bohling
