Gentlemen:

Effective February 1, 1969 your Brunson Argo No. 1 located in Unit B of Section 9, T-22-S, R-37-E will be reclassified as a gas well in the Blinebry Gas Pool and the oil allowable will be cancelled.

In order that we may assign a gas allowable for the well, please submit Form C-102 outlining the acreage to be dedicated to the well as a gas well. We also wish to call to your attention that the gas from this well, which according to our records is being used to gas lift Well No. 9, must be separately metered.

Yours very truly,
