Re: Drinkard (NCT-B)#2-J
Section 30, T22S, R38E
Drinkard Pool

Gentlemen:

It appears that you are still reporting production from the Drinkard zone in the above-referenced well on your monthly C-115 report.

According to the C-103 filed in October 1986, the Drinkard zone was abandoned with a CIBP and the well is now a single Blinbry completion. If this is the case, no production should be reported from the Drinkard zone.

Very truly yours,

OIL CONSERVATION DIVISION
