Re: Elliott B-12-2 #3-E  
Sec. 12, T22S, R37E  
Downhole Commingle DHC-698  
South Brunson Drinkard Abo Pool and  
Wantz Granite Wash Pool

Gary, we have received a commingled test for the above-referenced well. However, we still need the sundry notice (BLM form) covering the downhole work to convert the well from a dual to a downhole commingled well.

Also, I might point out that it is the operators responsibility to advise the transporters of this downhole commingle authority.
