The E. C. Hill "D" Federal #6 well has not been temporarily abandoned. Through an omission/error - no reports of daily well tests from the field - it was presumed the well was no longer producing, when in fact the well has been producing. Amended C-115's monthly production reports will be filed with the state of NM reflecting this production. Annual-scheduled well test has been filed with the state OCD.

14. I hereby certify that the foregoing is true and correct
