Tres Oil Co.
Box 1628
Hobbs, New Mex.

Gentlemen:

Mr. M. L. Armstrong made an inspection of the location for your Koonce No. 1 in Unit H of Section 14, T-25-S, R-36-E on October 9, 1956 and found that the pits were not filled, one dead man wire was not cut, and there was junk on the location. Mr. W. A. Gressett has made another inspection of the location and has found that the work has not yet been done.

Please give this matter your early attention so that a final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
