

CONTINENTAL OIL CO.

Well B-1 NO. 4

Power Distribution

A Plat is attached, showing the proposed Well location, existing roads, New road, existing power lines, Proposed power line. Also drawings of the Pole design is included. It is proposed to tie into an existing secondary power line and construct 3 spans (990') of secondary line. The poles will be of the same type and will be approximately 330' apart. Approximately a 20' Right-of-Way will be required to install this line.
