Gentlemen:

According to our records, your Woolworth Well No. 1 located in Unit H of Section 26, T-24-S, R-36-E, has been temporarily abandoned since March of 1963. Since the well has been in this condition in excess of nine years, it is apparent that the well should be plugged and abandoned at this time. Unless you have a very legitimate reason for leaving the well in its present condition, please file Form C-103 outlining the method in which the well will be plugged.

In the event that you do have immediate plans for producing or reworking the well, please so advise immediately.

Yours very truly,

OIL CONSERVATION COMMISSION
