Lea County, New Mexico

Dear Mr. Lowe:

Devon Energy Production Company, L.P. ("Devon") respectfully requests administrative approval of a non-standard spacing unit for each of the Serpentine Wells referenced above. The Serpentine Wells are in the Brinninstool; Bone Spring Pool (Pool Code 7320). It is Devon's responsibility as a prudent operator to minimize reserves left in the ground. The BLM has prohibited leasing in the SWSW of Section 35 because of federal land restrictions and Devon is having to propose a nonstandard unit to maximize development of the lands in Sections 26 and 35 in a manner that accounts for this restriction.

Sincerely,
