**Re: Ongoing Corrective Actions/Remediations
Burlington Resources Agreed Compliance Order-Releases.**

Dear Mr. Billings:

According to the NMOCD records, the 3RP-286 is open, however, this site sold by Burlington Resources where all environmental liabilities were passed to the buyers. The mentioned site was included on the Compliance Order signed on May 9, 2019, but after more research it was determine the site was sold.

Please contact me if you desire any additional information or if you have any questions or comments.

Sincerely,

A handwritten signature in black ink, appearing to be "G. Fejervary", written over the printed name.
