Greetings Mr. Alleman,

The OCD was notified by Chevron USA Inc., that it is protesting the following injection permit request application of Solaris Water Midstream, LLC ("Solaris") for produced water disposal in Lea County, NM:

- Sims 18 SWD #1 (SWD-2634), Located in 1224' FNL & 1301' FWL, Section 18, T.20S., R.36E.

Chevron USA Inc. is identified as an affected person for the referenced application. For the application to proceed, Solaris has two options; either resolve the matter with the protesting party or to go to a hearing before the Division. If the protest is withdrawn, then the applications

could be processed administratively. Meanwhile, OCD will retain your applications until a resolution is reached on the status of the submittals. If you have any questions, please don't hesitate to reach out to UIC group.

Regards,

Million Gebremichael
