2 EXAMINER GOETZ: Next case 20785, Application of
3 Cog Operating, LLC, for Compulsory Pooling, Eddy County,
4 New Mexico.

5 Call for appearances.

6 MS. LUCK: Kaitlyn Luck of the Santa Fe office
7 of Holland & Hart for the Applicant.

8 MR. PADILLA: Ernest Padilla for EOG Resources,
9 Inc.

10 EXAMINER GOETZ: Proceed.

11 MS. LUCK: Thank you. In this case Applicant COG
12 Operating, LLC, is presenting the case by affidavit.

13 Behind Tab I is the affidavit of Travis Macha, landman for
14 COG. His affidavit describes the lands being pooled in
15 this case as well as the description of the spacing unit,
16 and the only well that's subject to this pooling the MYOX
17 6 State Com 510H well.

18 His Exhibit A-1 is the C-102 for the Myox
19 well, and his Exhibit 2 is the exhibit showing the tracts
20 in developing, as well as the parties being pooled. The
21 parties being pooled are highlighted on Exhibit 2.

22 His Exhibit 3 is the Well Proposal Letter
23 together with the AFE reflected in the Myox 6 State Com 5H
24 well.

25 COG Exhibit B is the Affidavit of Matt

1 Fisher, COG's geologist who conducted the geologic study
2 on the Bone Springs Formation being pooled, and his
3 Exhibit B-1 provides the locator map reflecting the well
4 and the subject acreage surrounding it.

5 Exhibit B-2 is the subsea structure map
6 showing the Charkey Interval of the Bone Spring.

7 His Exhibit B-3 is a cross section map with
8 a line of cross section from A to A-prime followed by
9 Exhibit B-4, which is the line of cross section, which is
10 based off the cross section map from north to south that
11 was included as Exhibit B-3.

12 And then finally Exhibit C is an affidavit
13 by me showing that our office provided notice of this
14 hearing and of the application to the parties being pooled
15 in the case, and also provided Notice by Publication in
16 the event that any of the mailings weren't received by the
17 time of this hearing.

18 And that's all the evidence for this case.

19 EXAMINER GOETZ: No objections? No input from
20 OXY?

21 MR. PADILLA: It's EOG.

22 MS. LUCK: EOG.

23 MR. PADILLA: The only thing EOG requests, like
24 the others, is an Order entered by the Division allowing
25 for 90 days for the payment after the Statement of Well

1 Costs is provided.

2 MS. LUCK: And COG is okay with that.

3 EXAMINER GOETZ: An affidavit by Concho Exhibit
4 A and B and C are so entered into the record and EOG's
5 comment is noted. And with that we will that take this
6 case under advisement.
