CASE CALLED	03
SUMMARY OF CASE AND EXHIBITS	03
TAKEN UNDER ADVISEMENT	04
REPORTER CERTIFICATE	05

E X H I B I T I N D E X

	Admitted
Exhibits A through F and Attachments	04

1 HEARING EXAMINER ORTH: All right. 21032, 21033,
2 through 21034.

3 MS. LUCK: Good morning again. Kaitlyn Luck with
4 the Santa Fe office of Holland & Hart on behalf of
5 Centennial Resources. And I'm placing before you a packet
6 with the exhibits to these three cases, and we have asked
7 that cases 21032, 21033 and 21034 be consolidated for
8 purposes of this hearing.

9 HEARING EXAMINER ORTH: Okay, they will be.

10 MS. LUCK: So before you in the exhibit packet,
11 behind Tab A you will find the checklist for all three
12 cases. These applications are styled, "Application of
13 Centennial Resources Production LLC for Compulsory Pooling,
14 Lea County, New Mexico." And these cases pertain to the
15 Mozzarella Fed Com wells found in Section 5, Township 22
16 South, Range 32 East; in Section 32, Township 21 South,
17 Range 32 East in Lea County New Mexico.

18 Each of these are requests for standard
19 horizontal spacing units. The applications are found behind
20 Exhibit B. Behind Exhibit C is landman affidavit. Behind
21 Exhibit D is the affidavit of the geologist, and then behind
22 E and F are the notice affidavit and notice of publication
23 reflecting that notice of this hearing was timely provided
24 to the interest owners in these three cases.

25 So with that I would move the admission of the

1 exhibit packets which include Exhibits A through F, and with
2 that these three cases be taken under advisement.

3 HEARING EXAMINER ORTH: Do you have any
4 questions.

5 EXAMINER COSS: I don't have any questions.

6 HEARING EXAMINER ORTH: Thank you very much.
7 Exhibits A through F are accepted and the matter will be
8 taken under advisement.

9 MS. LUCK: Thank you.

10 (Exhibits A through F admitted.)

11 (Cases taken under advisement.)
