1 HEARING EXAMINER ORTH: We move then to matter
2 21035, and perhaps 21036 as well. This is Devon.

3 MR. FELDEWERT: Yes, ma'am. Michael Feldewert of
4 the Santa Fe office of Holland & Hart appearing on behalf of
5 the applicant, and we ask that the cases be consolidated.

6 HEARING EXAMINER ORTH: Thank you, they are.
7 They will be heard that way.

8 MR. FELDEWERT: We are presenting these cases by
9 affidavit without any objection.

10 MR. FELDEWERT: Madam Examiner, we have within
11 the packet I handed you in a consolidated fashion is the
12 information required to submit these cases by affidavit.

13 The unmarked tab under the cover -- under the
14 cover sheet contains both the checklist and the application
15 for each case. And then from that point it proceeds with
16 the landman affidavit as Attachment A. It then has the
17 geologist affidavit as Attachment B. And then as Attachment
18 C is the affidavit of notice from my office, and then the
19 parties and overriding royalty interest owners that could
20 not be reached, there is an Attachment D providing an
21 affidavit of publication.

22 These are all timely. I believe that the
23 submission contains the information that's necessary, and we
24 ask that these cases be taken under advisement.

25 HEARING EXAMINER ORTH: It appears the name of

1 the well is Cobber not Cobbler.

2 MR. FELDEWERT: Yes. Thank you for that. I
3 apologize. We pointed it out in our prehearing statement,
4 and you will see the exhibits are all C-o-b-b-e-r, which I
5 understand is the mascot for some school.

6 HEARING EXAMINER ORTH: Oh, wow. And that's the
7 fellow whose children have no shoes.

8 MR. FELDEWERT: Yes, ma'am.

9 HEARING EXAMINER ORTH: All right. Thank you
10 very much. The packet with Exhibits A through D is
11 accepted. Mr. Coss, do you have questions?

12 EXAMINER COSS: I do not.

13 HEARING EXAMINER ORTH: The matter will be taken
14 under advisement.

15 (Exhibits A through D admitted.)

16 (Cases taken under advisement.)
