CASE CALLED	03
SUMMARY OF CASE AND EXHIBITS	03
TAKEN UNDER ADVISEMENT	04
REPORTER CERTIFICATE	05

E X H I B I T I N D E X

	Admitted
Exhibits 1 through 7 and Attachments	04

1 HEARING EXAMINER ORTH: 21057, this is Mewbourne
2 and Mighty Ducks well. Mr. Bruce.

3 MR. BRUCE: I'm back.

4 This case seeks an order pooling the Wolfcamp
5 Formation, Purple Sage Wolfcamp Gas Pool in the S/2 of 15
6 and 16, of 22 South, 27 East.

7 This matter was originally heard in Case 20851,
8 and an order was issued in that case which is submitted as
9 Exhibit 7. The well was originally going from west to east,
10 but the surface locations were in or near the City of
11 Carlsbad, and therefore they flipped the surface location so
12 that the well is now going east to west.

13 So notice was given to everybody and this case is
14 just to change the well orientation. Everybody received
15 notice, and the exhibit package contains the landman's
16 affidavit. It contains the geologist affidavit from the
17 original case since the geology didn't change, and then the
18 rest of the notice and the pooling checklist materials.

19 So I move the admission of the Exhibits 1 through
20 7 and ask that the case be taken under advisement.

21 HEARING EXAMINER ORTH: Okay. Questions, Mr.
22 Coss?

23 EXAMINER COSS: I do not have any questions,
24 thank you.

25 HEARING EXAMINER ORTH: All right. Thank you.

1 Exhibits 1 through 7 are accepted, and the matter will be
2 taken under advisement.

3 (Exhibits 1 through 7 admitted.)

4 (Case taken under advisement.)
