ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT OIL  
CONSERVATION DIVISION**

**APPLICATION OF SPC RESOURCES, LLC  
TO AMEND ORDER NO. R-21096, AS AMENDED,  
EDDY COUNTY, NEW MEXICO.**

**CASE NO. 24062  
ORDER NO. R-21096, AS AMENDED**

**SUPPLEMENTAL SELF-AFFIRMED STATEMENT OF CHRIS ASTWOOD**

1. My name is Chris Astwood. I work for Permian Resources Operating, LLC (“Permian”) as a Senior Landman. SPC Resources, LLC (“SPC Resources”) is a wholly owned subsidiary of Permian. Permian closed on the acquisition of SPC Resources in December 2023 with an effective date in September 2023.

2. I have previously testified before the New Mexico Oil Conservation Division as an expert witness. My credentials in petroleum land matters have been accepted by the Division and made a matter of record.

3. I am familiar with the application filed by SPC Resources in this case, and I am familiar with the status of the lands in the subject area.

4. None of the parties in this case have indicated opposition, therefore I do not expect any opposition at the hearing.

5. This case was continued from the January 4, 2024, hearing to perfect notice to two parties subject to the pooling order in this case. I previously submitted a self-affirmed statement in this case and am providing this supplemental statement to explain the status of notice that was provided to these two owners.

6. As reflected in **Exhibit A**, the application in this case was filed with the Division on November 30, 2023. However, on November 28, 2023, Cibolo Resources, LLC (“Cibolo”) and

T.H. McElvain Oil & Gas LLLP (“McElvain”) each acquired a working interest within the subject spacing unit in this case through separate assignments that were filed of record in Eddy County, New Mexico, on November 28, 2023. *See* **SPC Exhibits D and E**, respectively.

7. Because the assignments were filed of record before the application was filed with the Division, each entity is entitled to notification of this case under the Division’s rules. *See* 19.15.4.12.A(1)(a) NMAC (“The applicant shall give notice to each owner of an interest in the mineral estate of any portion of the lands the applicant proposes to be pooled or unitized whose interest is evidenced by a written conveyance document either of record or known to the applicant at the time the applicant filed the application[.]”).

8. SPC did not become aware of the assignments to Cibolo and McElvain until after the deadline for timely notification had run under the Division rules for a hearing on January 4, 2023.

9. A copy of the notice letter and application provided in SPC Exhibit B-1 for the hearing in Case No. 24062 was sent by certified mail on December 22, 2024, to both Cibolo and McElvain. **SPC Exhibit F** is a copy of the stamped green cards reflecting that the notice was sent by certified mail, return-receipt requested on that date. It also confirms that notification was sent to the addresses of record identified in each parties’ respective assignment. *See* SPC Exhibits D and E.

10. **SPC Exhibit G** is a copy of the mailing receipt for Cibolo confirming receipt.

11. **SPC Exhibit H** is a copy of an email from McElvain confirming that they have received notice of the application and hearing, that the notice was sent to the correct address, and that McElvain waives the timing of the notification and does not object to the case proceeding by affidavit. The certified notification for McElvain was sent to the correct mailing address—under

both the record assignment and reflected on the company's website (<https://mcelvain.com/contact>)—the certified mail to McElvain was nevertheless returned as unclaimed.

12. While SPC has complied with the notification requirements under 19.15.4.12.B and Subpart C with respect to McElvain, SPC is relying on McElvain's waiver of timely notification and non-objection to the case proceeding.

13. **SPC Exhibits D-H** were either prepared by me or under my direction and supervision, or they constitute company business records.

14. I affirm under penalty of perjury under the laws of the State of New Mexico that the foregoing statements are true and correct. I understand that this self-affirmed statement will be used as written testimony in this case. This statement is made on the date next to my signature below.

Chris Astwood

Such Reserved ORRI shall be free and clear of all working interest costs of exploring, drilling, equipping, testing, completing and operating, but shall bear its proportionate part of gross production taxes and shall be calculated and paid in the same manner as the royalty is to be paid to the lessor pursuant to the terms of said Lease. If any Lease is pooled or communitized under the lease authority or authority of any government agency, the Reserved ORRI shall be pooled and communitized and paid on a pooled or communitized basis in the same manner as the base royalty of such lease is pooled or communitized. The term “*Lease Burdens*” as used in this Assignment with respect to said Lands for said Lease shall mean the royalty and any other interest in production reserved to the owners of the minerals covered by said Lease, plus all overriding royalties, production payments, carried working interests, net profit interest, and all other burdens and encumbrances to which said Lease is subject on the date of this Assignment.

The Parties acknowledge and agree that the foregoing warranty shall constitute and be considered a special warranty of title by, through and under Assignors and their Affiliates under applicable Laws; *provided, however*, that the special warranty of title set forth in this Section 3 shall survive for a period of six (6) months following the Execution Date, and not be actionable thereafter and Assignee, its successors and assigns shall be deemed to have waived all breaches of Assignors’ special warranty of title set forth in this Section 3 of which Assignee has not furnished to Assignor in written notice on or before the date that is six (6) months following the Execution Date.

Marika,

Good afternoon! I work for Schoeffler Energy Group and we handle land related matters for SPC Resources LLC. I'm reaching out because we sent by certified mail a notice of an Application to Amend Order No. R-21096, as amended, for the Caveman Unit by SPC Resources LLC and it is being returned. The certified mail was sent to the address listed on the recent assignment whereby McElvain acquired an interest in the Caveman Unit from Avant Operating.

I have attached the Application to Amend Order No. R-21096 that was being sent by certified mail. I have also attached the certified mail receipt with the tracking number.

There is the possibility that the OCD may want us to publish notice since the certified mail is being returned, which will result in SPC Resources LLC having to continue the case at a later date.

It would be greatly appreciated if T. H. McElvain Oil & Gas, LLLP would waive the notice for Case No. 24062 by email so we do not have to continue the case.
