**SELF-AFFIRMED STATEMENT OF JOHN COFFMAN**

I, John Coffman, state and affirm the following:

1. I am over the age of eighteen years and have the capacity to execute this Statement, which is based on my personal knowledge.
2. I am employed as a Landman with Alpha Energy Partners II, LLC (“Alpha”), affiliate successor in interest to Alpha Energy Partners, LLC, and I am familiar with the subject application and the lands involved.
3. I graduated from Texas Tech University with a bachelor’s degree in business (Energy Commerce) in 2018. I have worked at Alpha for approximately 2 years, and I have been

working in New Mexico for 8 years. My credentials as a petroleum landman have been accepted by the New Mexico Oil Conservation Division (“Division”) and made a matter of record.

4. I conducted a good-faith review of the records in Eddy County, New Mexico, that pertain to the Subject Lands in the above-referenced cases, which is an essential part of the good-faith acts of due diligence that is expected from a prudent operator before making claims of ownership to the Division and Commission. My review of the records showed that 28 of the 39 persons listed on the checks dated February 28, 2025, presented to the Commission by American Energy Resources, LLC (“AER”) are deceased and therefore not the persons “entitled” to receive shut-in payments under the plain language of AER’s leases, as shown in Exhibit 8 attached to the Alpha’s Motion. I also confirmed that AER’s leases have a 90-day deadline after being shut-in for making such payments. Finding this information in the records took only about an hour of my time and is the kind of “good-faith” due diligence expected to be performed by any party who presents itself to the Division and the Oil Conservation Commission as a prudent operator in the oil and gas industry.

I understand that this Self-Affirmed Statement will be used as written testimony before the Division in Case Nos. 25694, 25695 and 25696, and affirm that my testimony herein is true and correct, to the best of my knowledge and belief, and made under penalty of perjury under the laws of the State of New Mexico.
