Greetings,

This letter confirms that OXY USA Inc. (“Oxy”), by and through undersigned counsel, hereby submits a revised exhibit in the above-referenced matter. These revisions are submitted at the request of the Hearing Examiner, which was made during the hearing on March 26, 2026.

Specifically: Oxy Exhibit C-4, Structural Cross Section, has been revised to include the API well number of James Ranch (API 30015221620000); Livingston Ridge (API 30015215010000); Lost Tank 4 Federal 20 (API 30015349180000); and Federal CK COM 1 (API 30025274730000). The revisions do not alter the substance of the original testimony of Ms. Kathryn Velasquez, geologist.

Thank you for your consideration.

Respectfully submitted,

GALLAGHER & KENNEDY, P.A.
