**APPLICATION OF V-F PETROLEUM INC.,  
TO AMEND ORDER NO. R-23924 FOR AN  
EXTENSION OF THE WELL COMMENCEMENT DATE,  
EDDY COUNTY, NEW MEXICO**

Case No. \_\_\_\_\_

**APPLICATION**

V-F Petroleum Inc. (“V-F” or “Applicant”), OGRID No. 24010, through its undersigned attorneys, hereby files this Application with the Oil Conservation Division (“Division”) pursuant to the provisions of NMSA 1978, Section 70-2-17, seeking to amend Order No. R-23924 to allow a one-year extension of the wells drilling commencement deadline. Order No. R-23924 pooled uncommitted owners in the Bone Spring formation (Winchester; Bone Spring West [Pool Code 97569]), an oil pool, underlying a non-standard 1,906.34-acre, more or less, spacing unit comprised of all Sections 36, 35, and 34, all in Township 19 South, Range 27 East, NMPM, Eddy County, New Mexico. Paragraph 21 of the Order allows for an extension by amendment of the order. In support of its application, V-F states the following:

V-F is in good standing under state-wide rules and regulations with respect to Order No. R-23924, and based on this, V-F has been making plans to commence the wells prior to the deadline. However, V-F has encountered unforeseen difficulties that have made it necessary to request an extension of the commencement date. Consequently, V-F respectfully requests that the Division grant V-F additional time to complete the development plan.

WHEREFORE, V-F respectfully requests that this Application be set for hearing before an Examiner of the Oil Conservation Division on July 9, 2026, and after notice and hearing as required by law, that the Division amend Order No. R-23924 in a manner that provides for an additional one-year extension of the well commencement deadline.

Under the terms of Order R-23924, V-F would be required to commence drilling of the initial Angell Ranch wells by August 13, 2026; and therefore, V-F asks that the deadline for the commencement drilling date be extended one year to August 13, 2027, thereby, granting V-F the opportunity to proceed with its development plan without interruption.

Respectfully submitted,

ABADIE & SCHILL, PC
