**ORDER COMPLIANCE / PROGRESS REPORT AND REQUEST FOR
ADMINISTRATIVE EXTENSION OF TIME TO COMMENCE DRILLING**

Burnett Oil Company, Inc. ("Burnett"), through undersigned counsel, submits this Order Compliance / Progress Report pursuant to Paragraph 21 of Order No. R-23930 and the Division's guidance for administrative extension requests, and requests confirmation of a one-year extension of the deadline to commence drilling the Maverick Well Nos. 1H, 2H, and 3H (the "Wells"), from September 8, 2026 to September 8, 2027. In support, Burnett states:

1. The Division entered Order No. R-23930 on September 8, 2025, and Order No. R-23930-A on November 26, 2025, in Case No. 25428. The Orders pooled all uncommitted interests in the Glorieta-Yeso formation underlying a 320-acre, more or less, standard horizontal spacing unit comprised of the South-half (S/2) of Section 24, Township 18 South, Range 26 East, NMPM, Eddy County, New Mexico (the "Unit"), for the purpose of drilling the Wells, and designated Burnett as operator of the Unit and the Wells.
2. Paragraph 20 of Order No. R-23930 requires Burnett to commence drilling the Wells within one (1) year of the date of the Order. The current deadline to commence drilling is September 8, 2026.
3. Paragraph 21 provides that the Order terminates automatically unless Burnett requests an extension by notifying the Division and all parties that required notice of the original compulsory pooling application in accordance with 19.15.4.12.B and 19.15.4.12.C NMAC, and that upon no objection within twenty (20) days the extension is granted automatically for up to one year. This is Burnett's first request for an extension of the commencement deadline under the Orders, and Burnett is in good standing with respect to the Orders.
4. Burnett filed its application to extend the commencement deadline with the Division on June 5, 2026. A copy of the application, in the form provided to each noticed party, is enclosed as Exhibit 2.
5. On June 16, 2026, Burnett provided written notice of the extension request to each person entitled to notice of the original compulsory pooling application, by United States certified

mail, return receipt requested. The notice enclosed a copy of the application, described the relief requested, and included instructions for filing a protest with the Division. A tabulation of the written notice provided to each party, including the United States Postal Service certified mail tracking numbers and the delivery status for each, is enclosed as Exhibit 4.

6. For the parties who could not be located, Burnett caused notice of the extension request to be published in the Artesia Daily Press, a newspaper of general circulation in Eddy County, New Mexico, on June 24, 2026. The Affidavit of Publication is enclosed as Exhibit 5. A Self-Affirmed Statement from Landman, Kristine Pilgrim detailing that the persons who could not be located remain unlocatable is included as Exhibit 1. A list of the parties provided notice by publication, together with the reason each was not provided written notice, is enclosed as Exhibit 6.
7. A side-by-side comparison of the parties provided notice of this extension request and the parties provided notice of the original compulsory pooling application in Case No. 25428 is enclosed as Exhibit 7.
8. The twenty (20) day objection period following the June 16, 2026 written notice expired on July 6, 2026. As of the date of this Report, no party entitled to notice has filed an objection or protest to the extension request.
9. Accordingly, under Paragraph 21 of Order No. R-23930, Burnett is entitled to an administrative extension of the deadline to commence drilling the Wells for one year, to September 8, 2027, and respectfully requests that the Division confirm the extension. In the event the Division determines that a hearing is required, Burnett requests that this matter proceed on the docket set for August 13, 2026.

VIA U.S. CERTIFIED MAIL, RETURN RECEIPT REQUESTED

TO: ALL INTEREST OWNERS ON ATTACHED LIST

RE: Case No. 26245 – Application of Burnett Oil Company, Inc. seeking Order to Amend Order Nos. R-23930 and R-23930-A, Eddy County, NM – Maverick Well No. 1H, 2H, and 3H

Dear Interest Owner:

This will advise that Burnett Oil Company, Inc. (“Burnett”) has filed an application with the New Mexico Oil Conservation Division for an order amending existing Order No. R-23930, entered on September 8, 2025, and Order No. R-23930-A entered on November 26, 2025, in Case No. 25428, to extend the well commencement deadline one year to September 8, 2027.

Enclosed is a copy of an application filed with the New Mexico Oil Conservation Division by Burnett, requesting the following relief:

Application of Burnett Oil Company, Inc. to Extend Time to Commence Drilling Operations, Eddy County, New Mexico. Burnett Oil Company, Inc. (“Applicant”) seeks an order extending the deadline to commence drilling the wells authorized by Order Nos. R-23930 and R-23930-A (collectively “the Order”), by one year to September 8, 2027. The Division entered Order No. R-23930 on September 8, 2025, and R-23930-A on November 26, 2025, in Case No. 25428. The Order pooled all uncommitted interests in the Glorieta-Yeso formation underlying a 320-acre, more or less, standard horizontal spacing unit comprised of the South-half (S/2) of Section 24, Township 18 South, Range 26 East, NMPM Eddy County, New Mexico (“Unit”), for the purpose of drilling the Maverick Well No. 1H (“1H Well”), Maverick Well No. 2H (“2H Well”), and Maverick No. 3H (“3H Well”). The 1H Well, the 2H Well, and the 3H Well are referred to collectively herein as the “Wells.” The Order designated Applicant as operator of the Unit and Wells. The Order requires Applicant to commence drilling the Wells within one year of the date of the Order unless the operator obtains an extension amending the order. Applicant requests the division to extend the deadline to commence drilling the Wells until September 8, 2027. The Wells are located approximately 14 miles southeast of Artesia, New Mexico.

The Order Paragraph 21 provides that the Operator will be granted an administrative one-year extension if the Operator requests an extension by notifying the OCD and all parties that required notice of the original compulsory pooling application in accordance with 19.15.4.12.B and 19.15.4.12.C NMAC, and no objection is made within twenty (20) days. This letter is intended to affect the referenced notice.

The attached Application has been set for a hearing (if necessary based on objection) on Thursday, July 9, 2026, as Case No. 26245 before a Division Examiner at the New Mexico Oil Conservation Division. Hearings will be conducted both in person, and remotely. The hearing will be conducted on Thursday, July 9, 2026, beginning at 8:30 am. To participate in the electronic hearing, see the instructions posted on the docket for the hearing date: <https://www.emnrd.nm.gov/oed/hearing-info/>. You are not required to attend this hearing, but as an owner of an interest that may be affected, you may appear and present testimony. If no objection is raised, the one-year extension request will be granted administratively.

Failure to appear at that time and become a party of record will preclude you from challenging this application at a later time. If you intend to present testimony or evidence at the hearing, you must enter your appearance by Thursday, July 2, 2026, and serve the Division, counsel for Applicant, and other parties with a pre-hearing statement by Thursday, July 2, 2026, in accordance with Division Rule 19.15.4.13. The statement may be filed online with the Division at oed.hearings@emnrd.nm.gov and should include the name of the party, his or her attorney, a concise statement of the case, the names of the witnesses the party will call to testify at the hearing, and the approximate time the party will need to present the case. Information should also be included to identify any procedural matters that need to be resolved prior to the meeting.

Please feel free to contact me if you have any questions about this Application.

Benjamin Holliday

**CASE NO. _____
ORDER NOS. R-23930
AND R-23930-A**

APPLICATION

Burnett Oil Company, Inc. ("Applicant") (OGRID No. 3080), through its undersigned attorney, hereby files this Application with the Oil Conservation Division of the State of New Mexico ("Division") requesting a one-year time extension to commence drilling the Well(s) authorized by Order No. R-23930 and R-23930-A (the "Orders"). In support of its application, Applicant states the following:

1. The Division entered Order No. R-23930 on September 8, 2025, and Order No. R-23930-A on November 26, 2025, adding additional owners to the original order, in Case No. 25428.
2. The Orders pooled all uncommitted interests in the Glorieta-Yeso formation underlying a 320 -acre, more or less, standard horizontal spacing unit comprised of the South-half (S/2) of Section 24, located in Township 18 South, Range 26 East, NMPM Eddy County, New Mexico ("Unit"), for the purpose of drilling the Maverick Well No. 1H ("1H Well"), Maverick Well No. 2H ("2H Well"), and Maverick No. 3H ("3H Well"). The 1H Well, the 2H Well, and the 3H Well are referred to collectively herein as the "Wells."
3. The Order designated Burnett Oil Company, Inc. as operator of the Unit.
4. Paragraphs 20 and 21 of the Order require applicant to commence drilling the Wells within one (1) year of the date of the Order unless Applicant obtains a time extension from the Division Director.

5. This is Applicant's first request for extension under the Order.

6. Accordingly, Applicant requests that the Division extend the deadline to commence drilling the Wells until September 8, 2027.

WHEREFORE, Applicant requests that this extension request be approved administratively if there is no objection. If required, Applicant requests this application be set for hearing on July 9, 2026, and after notice and hearing, the Division extend the deadline to commence drilling the Wells under the Order until September 8, 2027.

Respectfully submitted,
