This diagram, showing the extent to which town-
ship boundary and subdivisional lines have been
surveyed within the Navajo Indian Reservation, New
Mexico, referred to the New Mexico Principal Meridian,
New Mexico, has been compiled from information at this
office. Those portions of townships 23 North, Ranges
14, 15, and 16 West, lying to the north of the San Juan
River and to the east of the Treaty of 1866, or to the
east of the Executive Order East Boundary, are not
within the reservation; the other surveys adjoining
