inasmuch as an effort is still under way to work the matter out by voluntary agreement.

MR. NUTTER: Do you have any idea at the present time when you want this case heard, Mr. Campbell?

MR. CAMPBELL: No. I would suggest, if it's agreeable with the Examiner, that it be continued indefinitely, which, of course, would necessitate readvertisement prior to the time it's set down for another hearing, but have it remain on the docket to avoid the necessity of filing a new application in the event it needs to be heard. If the matter is worked out, why we will dismiss the case.

MR. NUTTER: Is there objection to the continuation indefinitely of Case 1478? If not, the case will be so continued and that portion of the docket is adjourned.
