Re: 1657.22 Basin Disposal Inc.
Permit NM1-005
SWMF Renewal Application

Dear Mr. Jones:

Basin Disposal, Inc. (BDI) has received your July 6, 2022 deficiency letter pursuant to the November 11, 2019 renewal application for Permit NM1-005. This letter was received on July 11, 2022 by BDI. As described therein and pursuant to 19.15.36.9.B(3), BDI has 60 days to submit a revised application for renewal.

Due to the time lapsed between this letter and the original application as well as turnover in management at BDI, BDI respectfully requests an additional 60 days in order to prepare a revised application for consideration by OCD. This request, if approved, would extend the due date for submittal of the revised application to November 8, 2022. The department's consideration of this request is appreciated by BDI.

Sincerely,

PARKHILL
