FINDS THAT:

(1) Due public notice having been given as required by law, the Division has jurisdiction of this cause and the subject matter thereof.

(2) The applicant, ARCO Permian ("ARCO"), which is a unit of Atlantic Richfield, seeks authorization to drill short radius high angle/horizontal drainholes of approximately 1,000 feet in length in the Empire-Abo Pool within the wellbores of the following three wells located in Township 18 South, Range 27 East, NMPM, Empire-Abo Pressure Maintenance Project, Empire-Abo Unit Area, Eddy County, New Mexico:
