

STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION

IN THE MATTER OF THE HEARING CALLED BY THE OIL CONSERVATION DIVISION ("DIVISION") ON ITS OWN MOTION TO PERMIT SOVEREIGN OIL COMPANY, OPERATOR, ALLIED FIDELITY INSURANCE COMPANY, SURETY, AND ALL OTHER INTERESTED PARTIES TO APPEAR AND SHOW CAUSE WHY THE SOVEREIGN/NAVAJO LAKE "32-6" WELL NO. 1, LOCATED IN SAN JUAN COUNTY, NEW MEXICO, SHOULD NOT BE PLUGGED AND ABANDONED IN ACCORDANCE WITH A DIVISION-APPROVED PLUGGING PROGRAM.

*CASE NO. 11380
ORDER NO. R-10479*

ORDER OF THE DIVISION

BY THE DIVISION:

This cause came on for hearing at 8:15 a.m. on September 7, 1995, at Santa Fe, New Mexico, before Examiner Michael E. Stogner.

NOW, on this 12th day of October, 1995, the Division Director, having considered the record and the recommendations of the Examiner, and being fully advised in the premises,

FINDS THAT:

(1) Due public notice having been given as required by law, the Division has jurisdiction of this cause and the subject matter thereof.

(2) The witness in this matter, Johnny Robinson, Deputy Oil and Gas Inspector for the Division, testified via telephone from the New Mexico Oil Conservation Division District Office in Aztec, New Mexico.

(3) The operator of record for the Sovereign "32-6" Well No. 1 which also may be referenced as the Navajo Lake "32-6" Well No. 1 (**API No. 30-045-25790**), located 1730 feet from the North line and 900 feet from the West line (Unit E) of Section 9, Township 32 North, Range 6 West, NMPM, San Juan County, New Mexico, is Sovereign Oil Company.

(4) Allied Fidelity Company is the surety on a \$7,500.00 one-well plugging bond on which Sovereign Oil Company is principal.

(5) The purpose of said bond is to assure the Division that the subject well will be properly plugged and abandoned when not capable of commercial production.

(6) The Sovereign/Navajo Lake "32-6" Well No. 1 has not produced hydrocarbon substance or has otherwise been inactive for more than one year, and no permit for temporary abandonment has been requested by the operator or approved by the Division.

(7) By virtue of the failure to use the subject well for a beneficial purpose or to have an approved current temporary abandonment permit, the well is presumed to have been abandoned.

(8) The current condition of the subject well is such that if action is not taken to properly plug and abandon this well, waste may occur, correlative rights may be violated, and/or fresh water may be contaminated.

(9) Neither the operator, a representative from the surety, nor any other interested parties appeared at the hearing, either in support of or in opposition to this matter.

(10) The Sovereign/Navajo Lake "32-6" Well No. 1, as described above, should be plugged and abandoned in accordance with a program approved by the supervisor of the Aztec District Office of the New Mexico Oil Conservation Division as soon as possible.

(11) Further, the Division Director should be authorized to take such action as is deemed necessary to foreclose on the subject plugging bond to help pay for the plugging costs incurred by the Division.

IT IS THEREFORE ORDERED THAT:

(1) The supervisor of the Aztec District Office of the New Mexico Oil Conservation Division is hereby authorized to direct the commencement of plugging operations on the Sovereign "32-6" Well No. 1, also known as the Navajo Lake "32-6" Well No. 1, (**API No. 30-045-25790**), located 1730 feet from the North line and 900 feet from the West line (Unit E) of Section 9, Township 32 North, Range 6 West, NMPM, San Juan County, New Mexico.

IT IS FURTHER ORDERED THAT:

(2) Further, the Division Director shall take such action as is deemed necessary to foreclose on the Allied Fidelity Insurance Company \$7,500.00 one-well plugging bond on which Sovereign Oil Company is principal.

(3) Jurisdiction of this cause is retained for the entry of such further orders as the Division may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.

STATE OF NEW MEXICO
OIL CONSERVATION DIVISION

WILLIAM J. LEMAY
