BEFORE THE OIL CONSERVATION COMMISSION OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE HEARING CALLED BY THE OIL CONSERVATION COMMISSION OF NEW MEXICO FOR THE PURPOSE OF CONSIDERING:

CASE No. 3027 Order No. R-2762

APPLICATION OF EL PASO NATURAL GAS COMPANY FOR THE ADOPTION OF A NEW FORM.

ORDER OF THE COMMISSION

BY THE COMMISSION:

This cause came on for hearing at 9 o'clock a.m. on April 8, 1964, at Santa Fe, New Mexico, before Examiner Daniel S. Nutter.

NOW, on this 16th day of September, 1964, the Commission, a quorum being present, having considered the testimony, the record, and the recommendations of the Examiner, and being fully advised in the premises,

FINDS:

- (1) That due public notice having been given as required by law, the Commission has jurisdiction of this cause and the subject matter thereof.
- (2) That the applicant, El Paso Natural Gas Company, seeks the adoption of an alternate machine accounting form to be available for use by transporters of natural gas which are also producers of natural gas.
- (3) That the use of said form would be at the option of such transporter-producer and that the filing thereof would be in lieu of the filing of Sheet No. 2 of Commission Form C-111, Gas Purchaser's Monthly Report, and Form C-115, Operator's Monthly Report.
- (4) That the use of said form in the above-described manner would result in considerable economic savings and convenience to transporter-producers and to the Commission and would therefore be in the interest of conservation.

-2-CASE No. 3027 Order No. R-2762

(5) That the combined form should be adopted, and its use should be permitted upon written approval by the Secretary-Director of the Commission.

IT IS THEREFORE ORDERED:

- (1) That the format of Combined Form C-lll/C-ll5, as shown by Exhibit "A" attached hereto and made a part hereof, is hereby adopted for machine accounting use by transporters of natural gas which are also producers of natural gas.
- (2) That said Combined Form C-lll/C-ll5 shall be used by such transporter-producers of natural gas only upon written authority from the Secretary-Director of the Commission, and when so authorized for use shall be filed by the 15th day of each month in lieu of Sheet No. 2 of Commission Form C-lll, Gas Purchaser's Monthly Report, and Form C-ll5, Operator's Monthly Report.
- (3) That the provisions of Rules 1111 and 1115 of the Commission Rules and Regulations shall govern the filing of Combined Form C-111/C-115 insofar as they are not inconsistent with this order.
- (4) That jurisdiction of this cause is retained for the entry of such further orders as the Commission may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION
