FINDS:

(1) That due public notice having been given as required by law, the Division has jurisdiction of this cause and the subject matter thereof.

Case No. 7888

Order No. R-7302

(6) That approval of the subject application will afford the applicant the opportunity to produce his just and equitable share of the oil in the Yeso formation underlying the spacing unit, will prevent the economic loss caused by the drilling of unnecessary wells, avoid the augmentation of risk arising from the drilling of an excessive number of wells, will otherwise prevent waste and protect correlative rights, and should be approved.

IT IS THEREFORE ORDERED:

(1) That Orders No. (1) and No. (2) of Division Order No. R-7220 are hereby amended to read in their entirety as follows:

"(1) That the application of Cabana Oil Corporation for an unorthodox oil well location for the Abo and Yeso formations is hereby approved for a well drilled at a point 1000 feet from the South line and 1080 feet from the East line of Section 32, Township 17 South, Range 39 East, NMPM, Lea County, New Mexico.

(2) That a 66.87-acre non-standard oil spacing and proration unit consisting of the SE/4 SW/4 and Lot 4 of said Section 32 is hereby approved for dedication to the well at said unorthodox location in the Abo and Yeso formations."

(2) That jurisdiction of this cause is retained for the entry of such further orders as the Division may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.
