ORDER OF THE COMMISSION

BY THE COMMISSION:

This cause came on for hearing at 10 a.m. on March 19, 1956, at Santa Fe, New Mexico, before Warren W. Mankin, Examiner duly appointed by the Oil Conservation Commission of New Mexico in accordance with Rule 1214 of the Rules and Regulations of the New Mexico Oil Conservation Commission.

NOW, on this 18th day of June 1956, the Commission, a quorum being present, having considered the application and the evidence adduced and the recommendations of the Examiner, Warren W. Mankin, and being fully advised in the premises,

FINDS:

(1) That due notice having been given as required by law, the Commission has jurisdiction of this cause and the subject matter thereof.

(2) That to grant the application for a non-standard gas proration unit and for the dual completion of applicant's Mittie N. Weatherly No. E-1 Well, in the Blinebry Gas Pool, would force the offset operator to form a non-standard gas proration unit in the Blinebry Gas Pool, of less than the standard 160 acre unit and thus create waste.

(3) That Continental Oil Company appeared and entered an objection to the establishment of a 240 acre non-standard gas proration unit in the Blinebry Gas Pool.

(4) That applicant failed to prove by the evidence adduced that subject well would drain 240 acres in the Blinebry Gas Pool.

IT IS THEREFORE ORDERED:

(1) That the applicant, N. B. Hunt, for an order granting a dual completion in the Tubb and Blinebry Gas Pools for its Mittie N. Weatherly No. E-1 Well, located 2090 feet from the North line and 1980 feet from the East of Section 21, Township 21 South, Range 37 East, NMPM, Lea County, New Mexico, be and the same is hereby denied.

(2) That the application of N. B. Hunt for an order granting the establishment of a 240 acre non-standard gas proration unit in the Blinebry Gas Pool be and the same is hereby denied

(3) That the application of N. B. Hunt for unorthodox location for its Mittie N. Weatherly No. E-1 Well, be and the same is hereby denied.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.
